PROFESSIONAL EXPERIENCE

Senior Sales Development Representative (SMB & Mid-Market) | Intaker

B2B LegalTech AI SaaS | Los Angeles, CA (Hybrid) | Apr 2026 to Present

- Built and launched the Home Services vertical go-to-market motion (HVAC, plumbing, electrical and other trades) from scratch: assessed market fit, ran the competitor analysis and TAM sizing, and defined the ICP while carrying a full personal quota.
- Wrote the vertical's cold call scripts, email templates and multi-step outbound cadences across phone, email, SMS and LinkedIn DM.
- Trained 4 SDRs and 4 AEs on the Home Services vertical using a click-through enablement dashboard (scripts, cadences, ICP and objection handling), then handed the playbook to the Sales Enablement Director to build into company training.
- Averaged about 185% of monthly closed-won MRR quota (SDRs measured solely on closed-won revenue, not meetings) by creating about 23 opportunities a month through targeted outbound prospecting and account research, closing 27% of them.
- Qualified tightly and handled objections about replacing traditional intake services with AI intake agents.
- Standardized outbound execution across the SDR pod by introducing sequencing logic, MEDDPICC qualification and shared sales tooling; evaluated and rolled out new technologies, including AI-assisted research and messaging, to raise rep efficiency.

Founding SDR (Team Lead Duties) / Enablement | Nuve

Hardware-Enabled PropTech SaaS (VSB & SMB) | Irvine, CA (On-site) | May 2025 to Apr 2026
